„Chinese Medicine and Spirituality: Cultivation of the Practitioner, the Healer and the Alchemist “

Mike Robinson, UK

Mike Robinson seeks to integrate all aspects as living as one, creating balance within the prime areas of a person's life. Mike is the author of the book "The True Dynamics of Life", which covers topics such as: Who we really are and why we are in pain, how we got to such a position of global madness and how to stop the suffering and chaos, how our minds have been conditioned and how to set ourselves free to be our true selves, understanding how we impact others, with our beliefs, words, and actions, defining what true love is and how to live it, how the current formation of society itself perpetuates the suffering, why organized religion fails to unite us, how and why governments across the world have fallen short of their mission, and your life purpose.
