

3rd Scandinavian TCM Congress in Denmark 1st – 4th September 2011

"Chinese Medicine and the Fertile Soul: Childhood, Nourishment and Long Life"

Newsletter from the 3rd Scandinavian TCM Congress 1st–4th September 2011

Dear Colleagues of Classic and Traditional Chinese Medicine,

Now there is only one more year of waiting before we meet again at the 3rd Scandinavian TCM Congress, which again will take place in beautiful Slettestrand, Jutland from 1st – 4th September 2011.

The title of the congress this time is: "Chinese Medicine and the Fertile Soul: Childhood, Nourishment and Long Life." In each of the newsletters to follow during the next year, we will introduce you to some of the international and national congress teachers and lecturers. Some you know already from the previous congresses - others you will still have the pleasure of getting acquainted with.

We do look forward to seeing you again and also to meet many more new participants. In 2009 the congress had 250 participants, and next year we expect to attract even more people, and as we have special offers for students, we look forward to welcoming many young TCM students. Those of you who have participated before know that the Scandinavian TCM Congress is a very special event. A perfect mixture of teaching and lectures on the highest level - and at the same time a homely and relaxed atmosphere in one of the most beautiful places in Denmark.
