Dear colleagues of Classic and Traditional Chinese Medicine.

We are so thrilled to be able to invite you to the 2nd Scandinavian TCM Congress in Denmark. The theme this time is "Classic Chinese Medicine: Emotions, Spirituality and Alchemy", and as before, we have invited some of the best international teachers to inspire us.

If you wish to know more about the whole congress, the teachers and find inspiration to participate, please feel free to visit our congress website and read all about our Scandinavian TCM Congress of 2009:

It seems like yesterday we last met in wonderful Slettestrand and spent many lovely hours together with both old and new friends. But soon now we will meet again, and we do look forward to it!

### Signing up for the congress

From January 2009 you will be able to sign up for the congress. You can use either the [congress brochure](#) (2,3 MB to download), which will be distributed through the Scandinavian and European societies, or you may prefer to easy sign up via the congress website.

We will inform you when the time is up to start signing in for the congress through our January newsletter.

If you wish to stay up-to-date with the latest congress news and/or to learn more about the lecturers, we suggest you personally sign up for the congress newsletter at [www.tcm-kongres.dk/contact.htm](http://www.tcm-kongres.dk/contact.htm)

During the next months we will make a thorough presentation of all the 15 international lecturers at the congress.
